RECENT PROFESSIONAL EXPERIENCE

Production Artist / IT

Recognition Worx, Inc., Oakdale, MN
(Nov. 2009 - Present)

I prepare and design artwork for various corporate recognition products. These products include wood, acrylic, granastone, glass, and crystal plaques and awards. I also create & modify vector artwork for output to our two laser engraving machines. In turn I also develop imposition layouts for matrixed laser engraving jobs. I design & output film positives for screen printing. I also separate screen printing artwork while matching proper PMS colors.

We work with clients such as Staples, The NFL, Honda, Acura, Subway, University of Phoenix, and many more.

Pre-Press Technician / Graphic Artist

Leader Printing, Madison, SD (Feb. 2008 - Oct. 2008)

My pre-press responsibilities were mainly file processing and pre-flighting of customer files to ensure proper printing on our three different printing presses. We primarily ran a WEB press but also had a 4-color and 2-color press. Other duties included:

- Film negative shooting/processing in dark room
- Negative stripping and burning of plates
- CTP with Prinergy Evo & Kodak Preps
- All ordering for Pre-Press department
- Designed ads for use in daily newspaper

I also managed and designed all materials for direct mail advertising campaigns directed towards car dealerships and school newspapers.

Graphic Designer

Capital Card Services, Inc., Sioux Falls, SD
(Jun. 2005 - July 2007)

I was in charge of designing all direct-mail solicitations for credit card companies. This design included all aspects of the campaign, from envelope design to the actual letter itself. I worked daily on both Mac and PC systems and used the Adobe Creative Suite daily. My biggest project was complete design and coding of their new company intranet site. I also designed and coded several online banking web sites. I received numerous awards for outstanding work on projects.
