Hire Me. Here's Why!

EDUCATION

Diploma (2002) Generals - Avon Public High School
Avon, SD - *Graduated with 3.9 Cumulative GPA.*

**Seeking BFA (2002-2007) Computer Graphic Design/
Multimedia Web Development**
Dakota State University - Madison, SD.

RECENT PROFESSIONAL EXPERIENCE

Production Artist / IT

Recognition Worx, Inc., Oakdale, MN

(Nov. 2009 - Present)

I play many roles during the workday, here is a brief summary of my daily responsibilities for a corporate recognition product manufacturing company:

- Develop & design corporate recognition products
- Output artwork for laser engraving & screen printing
- Monitor and maintain the company network
- Implement imposition layouts for variable data
- Design all company marketing materials

My main responsibility is taking an idea from the end customer and in turn developing an award from concept through completion.

Pre-Press Technician / Graphic Artist

Leader Printing, Madison, SD (Feb. 2008 - Oct. 2008)

My pre-press responsibilities were mainly file processing and pre-flighting of customer files to ensure proper printing on three different printing presses. Leader printing primarily runs a WEB press, but also has a 4-color and 2-color press. Other duties included:

- Film negative shooting/processing in dark room
- Negative stripping and burning of plates
- CTP with Prinergy Evo & Kodak Preps
- Ordering/Inventory for Pre-Press department
- Ad design for use in city newspaper

I managed and designed all materials for direct mail advertising campaigns directed towards car dealerships and school newspapers.

Graphic Designer

Capital Card Services, Inc., Sioux Falls, SD
(Jun. 2005 - July 2007)

I was in charge of designing all direct-mail solicitations for credit card companies. These designs included all aspects of the campaign, from envelope design to the actual letter itself. I worked daily on both Mac and PC systems and primarily used the Adobe Creative Suite. My biggest project was a complete redesign of their company intranet site. I also designed and coded several online banking web sites. I received numerous awards for outstanding quality of work.
